Location	Ottawa
Incident Date and Time	28/01/2022 13:29

Brief Synopsis

Approx 5-6,000 people on Parliament Hill, with another 5-6,000 people in the streets.

Most Convoys are in the area but the group from the west was backed up to Kinburn Side Rd and the east group was backed up 40 km. PLT and Traffic members were able to get the group from the west back on track by diverting them to the planning route/staging of SJAM..

No change in the current status of road or bridge closures. Rideau Centre will be closed shortly after 1500 hrs, with OPS members assisting in moving patrons out of the building similar to a Canada Day operation. Road closures were shared with hospital partners by City OEM at NCRCC.

Officers remain engaged in the crowd, with reports of general joviality but interspersed with overt defiance of authority by some individuals.
